ASSOCIATIONS

Signatory to the
Responsible Care® Global Charter

ARKEMA

is a signatory company to the Responsible Care Global Charter.
The Global Charter signature is a firm commitment to strengthen
the chemical industry's unique voluntary initiative – Responsible Care.

By implementing the Global Charter, ARKEMA continues to improve its
environmental, health and safety performance; advance sustainable
development; facilitate the extension of Responsible
Care throughout its operations worldwide and across the value chain,
meeting and exceeding stakeholder expectations for safe chemicals
management through a process of continuous improvement.

The International Council of Chemical Associations, ICCA,
commends ARKEMA for its continued commitment
to Responsible Care.
