Dear Customer,

Further to your request, we are pleased to inform you that none of the Substances of Very High Concern (SVHC) as listed on the candidate list published by the ECHA (http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp updated on 15/12/2010) are intentionally added in the manufacturing process of the above-mentioned products..

Their presence is therefore not expected in: **DMSO, DMSO HP, DMSO EG.**

It must be understood also that we do not perform control analysis on such substances when we have no reason to believe they could be present. Consequently, this information is based on our best knowledge but shall in no event be held to constitute or imply any warranty from our part.

Please do not hesitate to contact us for any further information you may require.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Françoise Truchet".
