Dear Customer,

We confirm that the above-mentioned products are synthetic material manufactured by chemical process that we do not introduce intentionally starting materials of human origin as well as materials of plant or microbial origin in the manufacture of the products. Therefore, the presence of genetically modified substances (GMO) is not expected in the above-mentioned products as well as the risk of contamination by transmitting agents of animal spongiform encephalopathy.

Moreover, we confirm that none of the products mentioned in the list* below is used in the manufacturing of the above-mentioned products. Therefore, their presence is not expected. It must be understood also that we do not perform control analysis on such substances when we have no reason to believe they could be present.

Consequently, this information is based on our best knowledge but shall in no event be held to constitute or imply any warranty from our part.

Should you need more information, please do not hesitate to contact us.

Sincerely yours,

A handwritten signature in black ink, appearing to be "F. Truchet".
