Arkema at the PLASTPOL fair 2014 in Poland

From May 27 to 30 2014, Arkema participates to the 18th edition of the International Fair of Plastics and Rubber Processing (PLASTPOL) held in Kielce, Poland, in booth E-32.

Arkema offers to the plastics industry an extensive range of high performance materials for the oil & gas, automotive, cable & wire, packaging and consumer goods applications. Plastpol is the opportunity for Arkema to showcase its products offer devoted to these sectors : fluoropolymers PVDF (Kynar[®]), high-performance polyamides 10, 11 and 12 (Hiprolon[®], Rilsan[®], Rilsamid[®]), functional polyolefins (Evatane[®], Lotryl[®], Lotader[®], Orevac[®], Evasin[®]), organic peroxides (Luperox[®]) and plastic additives (Plastistrength[®], Clearstrength[®]) ranges and its latest innovations.

Over the last 17 years, PLASTPOL has become the leading plastic industry fair in Central and Eastern Europe. The event is the most frequented trade show in the business sector which brings together exhibitors from home and abroad. It gathers 17000 visitors and nearly 700 exhibitors, including plastics producers, converters, distributors and equipment producers from more than 30 countries from all over the world.

Arkema, through its Polish subsidiary, was an exhibitor at PLASTPOL in 2013. This year, PLASTPOL will be attended by all locally-based salespeople as well as business managers from US and Europe. With many meetings on its booth, Arkema expects PLASTPOL 2014 to tighten its relationships with customers and to strengthen its positions in the CEE region.
