

West Chester, Pa.

610 South Bolmar Street West Chester, PA 19382-3805

Plant Manager: Rene Neron – 610-692-8401

A division of Arkema Inc., Sartomer's West Chester, Pa. site produces specialty acrylate and methacrylate monomers and oligomers used by other manufacturers in the following applications: coatings, graphic arts, electronics, adhesives and sealants, advanced materials, chemical intermediates, personal care and 3D printing.

Community involvement

- **Science Teacher Program** - sponsor teachers from local schools to team up with Sartomer mentors to review science experiments and teaching techniques for the Fall semester
- **Local Emergency Planning Committee (LEPC)** - We are a member and provide technical expertise
- **Community Advisory Panel (CAP)** - This group was established to give residents a voice. As a CAP member, we meet annually to answer questions, offer suggestions, and talk about issues important to the surrounding community
- **Member of the West Chester Chamber of Commerce**
- **Sartomer Environmental Scholarship** - An internship at Sartomer is given to one West Chester University student every year. This can lead to employment at Sartomer following graduation
- **Partner with Drexel University** for a co-op program where an Engineering student works on various projects throughout the plan in order to further his or her education
- **Run various drives for local establishments** including the Chester County Food Cupboard and the Chester County Hospital
- **Local Fire Departments** - financial support and training partnership
- Chester Ridley Crum (CRC) Watershed Association
- **United Way**
- Employee-initiated donation request program

Investment in health, environment and safety

- **OSHA Voluntary Protection Program (VPP) "Star" site**
- Site utilizes an **integrated computer-based technology** for process monitoring and control
- In-house Emergency Response (ERT) and all operating shifts **have ERT-trained employees** who are trained at Delaware State, Texas A&M and Maryland Fire & Rescue fire schools
- Hazardous waste operations emergency response (HAZWOPER) **confine space rescue trained employees**
- Personnel trained in **First Aid, CPR, AED (Automated External Defibrillation)**
- **Member of CHEMTREC (Chemical Transportation Emergency Center)**

About Arkema

A designer of materials and innovative solutions, Arkema shapes materials and creates new uses that accelerate customer performance. Our balanced business portfolio spans high-performance materials, industrial specialties and coating solutions. Our globally recognized brands are ranked among the leaders in the markets we serve. Reporting annual sales of €8.8 billion (\$10.4 billion USD) in 2018, we employ approximately 20,000 people worldwide and operate in close to 55 countries. We are committed to active engagement with all our stakeholders. Our research centers in North America, France and Asia concentrate on advances in bio-based products, new energies, water management, electronic solutions, lightweight materials and design, home efficiency and insulation. www.arkema.com
