

## PLANT IN **CROSBY**

Texas - USA

The Crosby, Texas site serves as a logistics depot where Arkema stores organic peroxides to support its Gulf Coast customers. These products are used primarily in the production of plastic resins, polystyrene, polyethylene, polypropylene, PVC and polyester reinforced fiberglass, and acrylic resins.

### COMMUNITY INVOLVEMENT

- **Crosby Volunteer Fire Department**
- **CAER Line**
- Arkema uses **EMerge Systems**, a web-based multi-media communication tool used to communicate plant emergencies to local authorities. Activation occurs via a 24-hour manned website. Harris County Homeland Security and Emergency Management coordinate community notifications in the event of a plant emergency that may affect our neighbors. EMerge Systems is endorsed by the North Channel Local Emergency Planning Committee (NC LEPC).

x million in local impact

The site participates in [Responsible Care®](#), an industry-wide initiative among members of the American Chemistry Council, to demonstrate a continuing commitment to health, safety, and the environment.

The site has a program that enables customers to return empty organic peroxide containers for recycling, reducing landfill use and associated fees.

x years without an injury

Building on its unique set of expertise in materials science, Arkema offers a portfolio of first-class technologies to address ever-growing demand for new and sustainable materials. With the ambition to become in 2024 a pure player in Specialty Materials, the Group is structured into 3 complementary, resilient and highly innovative segments dedicated to Specialty Materials - Adhesive Solutions, Advanced Materials, and Coating Solutions - accounting for some 91% of Group sales in 2022, and a well-positioned and competitive Intermediates segment. Arkema offers cutting-edge technological solutions to meet the challenges of, among other things, new energies, access to water, recycling, urbanization and mobility, and fosters a permanent dialogue with all its stakeholders. The Group reported sales of around €11.5 billion (\$12.1 billion USD) in 2022, and operates in some 55 countries with 21,100 employees worldwide.
