

## PRODUCTION PLANT IN **PETERSBURG**

Virginia - USA

**As part of Bostik Inc., Petersburg, VA site aims to produce adhesive films based on various polymers such as LDPE, HDPE and PP.**

The films produced in Petersburg, VA are used as thermobonding films, barriers or breathable membranes by other manufacturers in the following applications:

- Automotive
- Building components
- Assembly

### COMMITMENT TO SAFETY AND ENVIRONMENT

The site is committed to ensure complying with all Arkema's Policies regarding the safe conduct of our operations. The company invested in 2022 in safety upgrades such as:

- Machine guarding for all the production lines
- Dock locks

Following the regulations and standards related to occupational safety, environmental protection, and pollution prevention is also our top priority. In parallel there is a continual site focus on energy efficiency and waste reduction, including lean manufacturing principles.

12 employees

\$700,000 in local impact (includes payroll/utility/property taxes)

\$75,000 investment in health, environment, and safety

No lost-time injury since the acquisition by Bostik Inc. in 2019

Building on its unique set of expertise in materials science, Arkema offers a portfolio of first-class technologies to address ever-growing demand for new and sustainable materials. With the ambition to become in 2024 a pure player in Specialty Materials, the Group is structured into 3 complementary, resilient and highly innovative segments dedicated to Specialty Materials - Adhesive Solutions, Advanced Materials, and Coating Solutions - accounting for some 91% of Group sales in 2022, and a well-positioned and competitive Intermediates segment. Arkema offers cutting-edge technological solutions to meet the challenges of, among other things, new energies, access to water, recycling, urbanization and mobility, and fosters a permanent dialogue with all its stakeholders. The Group reported sales of around €11.5 billion (\$12.1 billion USD) in 2022, and operates in some 55 countries with 21,100 employees worldwide.
